Creation and a Renewed Earth

John Dingess

The Renewed Earth is contrasted with creation and the fall. Did God create light, or was it formed? Will the sun and moon last forever? What did the cherubim look like? Do you wonder what the earth will be like when God makes all things new? These and many more questions will be answered. The presentation will be a walk through Scripture, as we contrast the creation and fall to the fulfillment of all things.

February 6th

**Beautiful Savior Lutheran Church
1501 Deep Lake Rd. Antioch, IL**

No charge—donations accepted

6:00 pm - doors open

6:45 pm - light refreshments

7:00 pm - speaker
