How to Blow an Atheist's Mind

Eric Hovind

How do Christians answer the skeptics' questions about God? Does evidence help convert the Atheist to Christianity? What proof do we actually need to present in order for the skeptic to worship the God of the Bible? Join Eric Hovind to examine Christian beliefs from the skeptics' perspective. With practical real-life on-the-street examples, quotes from the skeptics themselves, & Scripture, Eric lets you see the atheist's mind-set from a different viewpoint. Learn how to understand & approach both the mind & the heart of the skeptic!
