

Creation Science Sunday

~~~~~  
**January 6, 2019**

**Maranatha Baptist Church**

**31457 N Alleghany Rd., Grayslake, IL**

**FREE & OPEN to the PUBLIC! Info: (847) 223-9050**

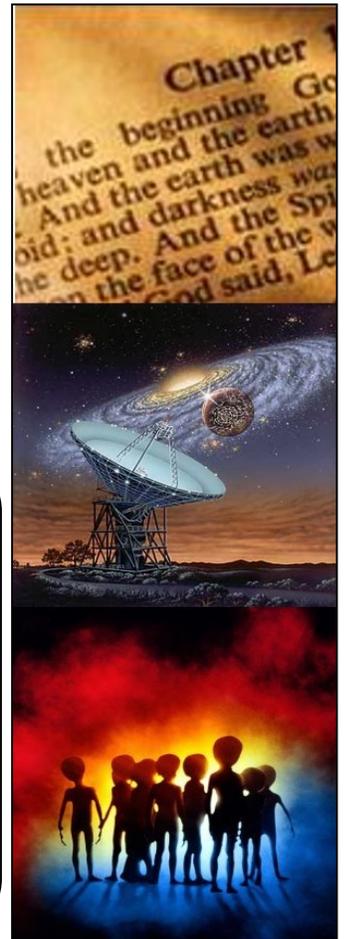

## Sunday Morning Services

**9:45 am Sunday School: Combined Youth and Adults**

**“Astronomy and the Bible”** - A short review of what we have discovered about our sun and planets. The evidence shows that our planet and solar system cannot be billions of years old.

**11:00 am Worship Service message:**

**“Aliens, UFO’s and the Bible”** - Millions of people are convinced ‘alien’ visitors and abductions are real. This presentation will review the status of alien research and what we should really think about “alien visitors”.

## Sunday Evening Program

**6:00 pm “Understanding the Six Days of Creation”**

This is a review of Genesis chapter 1. It mixes biblical insight as well as modern science discoveries. We go through the 6 days account and together we can get a clearer picture of how God says He created the Universe and everything in it.

Extra Q & A time will be available. Come with your questions!

**Speaker:** Helmut Welke M.S., is a retired engineering manager with a Fortune 100 company. He is a certified engineering manager, and in 2012 was honored as a "Fellow" of the Institute of Industrial Engineers, an international professional society. He holds BS and MS degrees in industrial engineering from the University of Illinois. He is also a member of Midwest Creation Fellowship, the Creation Research Society and an ambassador/ speaker for Logos Research Associates. He was recently elected president of Creation Summit.

Mr. Welke is also president of the Quad-City Creation Science Association. Founded in 2008, they are dedicated to telling the truth in science education & proclaiming the good news of Jesus Christ –  
- as Creator, Savior, and Lord of all.
